In order to enhance the efforts of the United States to prevent trafficking in persons, the Secretary of Homeland Security, in conjunction with the Secretary of State, the Attorney General, and the Secretary of Health and Human Services, shall develop policies and procedures to ensure that unaccompanied alien children in the United States are safely repatriated to their country of nationality or of last habitual residence.

(2) SPECIAL RULES FOR CHILDREN FROM CONTIGUOUS COUNTRIES

(A) Determinations Any unaccompanied alien child who is a national or habitual resident of a country that is contiguous with the United States shall be treated in accordance with subparagraph (B), if the Secretary of Homeland Security determines, on a case-by-case basis, that—

- (i) such child has not been a victim of a severe form of trafficking in persons, and there is no credible evidence that such child is at risk of being trafficked upon return to the child's country of nationality or of last habitual residence;
- (ii) such child does not have a fear of returning to the child's country of nationality or of last habitual residence owing to a credible fear of persecution; and
- (iii) the child is able to make an independent decision to withdraw the child's application for admission to the United States.

(B) Return An immigration officer who finds an unaccompanied alien child described in subparagraph (A) at a land border or port of entry of the United States and determines that such child is inadmissible under the Immigration and Nationality Act (8 U.S.C. 1101 et seq.) may—

- (i) permit such child to withdraw the child's application for admission pursuant to section 235(a)(4) of the Immigration and Nationality Act (8 U.S.C. 1225(a)(4)); and
- (ii) return such child to the child's country of nationality or country of last habitual residence.

(C) Contiguous country agreements The Secretary of State shall negotiate agreements between the United States and countries contiguous to the United States with respect to the repatriation of children. Such agreements shall be designed to protect children from severe forms of trafficking in persons, and shall, at a minimum, provide that—

(i) no child shall be returned to the child's country of nationality or of last habitual residence unless returned to appropriate employees or officials, including child welfare officials where available, of the accepting country's government;

(ii) no child shall be returned to the child's country of nationality or of last habitual residence outside of reasonable business hours; and

(iii) border personnel of the countries that are parties to such agreements are trained in the terms of such agreements.

(3) RULE FOR OTHER CHILDREN

The custody of unaccompanied alien children not described in paragraph (2)(A) who are apprehended at the border of the United States or at a United States port of entry shall be treated in accordance with subsection (b).

(4) SCREENING

Within 48 hours of the apprehension of a child who is believed to be described in paragraph (2)(A), but in any event prior to returning such child to the child's country of nationality or of last habitual residence, the child shall be screened to determine whether the child meets the criteria listed in paragraph (2)(A). If the child does not meet such criteria, or if no determination can be made within 48 hours of apprehension, the child shall immediately be transferred to the Secretary of Health and Human Services and treated in accordance with subsection (b). Nothing in this paragraph may be construed to preclude an earlier transfer of the child.

(5) ENSURING THE SAFE REPATRIATION OF CHILDREN

(A) Repatriation pilot program

To protect children from trafficking and exploitation, the Secretary of State shall create a pilot program, in conjunction with the Secretary of Health and Human Services and the Secretary of Homeland Security, nongovernmental organizations, and other national and international agencies and experts, to develop and implement best practices to ensure the safe and sustainable repatriation and reintegration of unaccompanied alien children into their country of nationality or of last habitual residence, including placement with their families, legal guardians, or other sponsoring agencies.

(B) Assessment of country conditions

The Secretary of Homeland Security shall consult the Department of State's Country Reports on Human Rights Practices and the Trafficking in Persons Report in assessing whether to repatriate an unaccompanied alien child to a particular country.

(C) Report on repatriation of unaccompanied alien children Not later than 18 months after December 23, 2008, and annually thereafter, the Secretary of State and the Secretary of Health and Human Services, with assistance from the Secretary of Homeland Security, shall submit a report to the Committee on the Judiciary of the Senate and the Committee on the Judiciary of

the House of Representatives on efforts to improve repatriation programs for unaccompanied alien children. Such report shall include—

- (i) the number of unaccompanied alien children ordered removed and the number of such children actually removed from the United States;
- (ii) a statement of the nationalities, ages, and gender of such children;
- (iii) a description of the policies and procedures used to effect the removal of such children from the United States and the steps taken to ensure that such children were safely and humanely repatriated to their country of nationality or of last habitual residence, including a description of the repatriation pilot program created pursuant to subparagraph (A);
- (iv) a description of the type of immigration relief sought and denied to such children;

(b) COMBATING CHILD TRAFFICKING AND EXPLOITATION IN THE UNITED STATES

(1) CARE AND CUSTODY OF UNACCOMPANIED ALIEN CHILDREN

Consistent with section 279 of title 6, and except as otherwise provided under subsection (a), the care and custody of all unaccompanied alien children, including responsibility for their detention, where appropriate, shall be the responsibility of the Secretary of Health and Human Services.

(2) NOTIFICATION Each department or agency of the Federal Government shall notify the Department of Health and Human services^[1] within 48 hours upon—

- (A)** the apprehension or discovery of an unaccompanied alien child; or
- (B)** any claim or suspicion that an alien in the custody of such department or agency is under 18 years of age.

(3) TRANSFERS OF UNACCOMPANIED ALIEN CHILDREN

Except in the case of exceptional circumstances, any department or agency of the Federal Government that has an unaccompanied alien child in custody shall transfer the custody of such child to the Secretary of Health and Human Services not later than 72 hours after determining that such child is an unaccompanied alien child.

(4) AGE DETERMINATIONS

The Secretary of Health and Human Services, in consultation with the Secretary of Homeland Security, shall develop procedures to make a prompt determination of the age of an alien, which shall be used by the Secretary of Homeland Security and the Secretary of Health and Human Services for children in their respective custody. At a minimum, these procedures shall take into account multiple forms of evidence, including the non-exclusive use of radiographs, to determine the age of the unaccompanied alien.

(c) PROVIDING SAFE AND SECURE PLACEMENTS FOR CHILDREN

(1) POLICIES AND PROGRAMS

The Secretary of Health and Human Services, Secretary of Homeland Security, Attorney General, and Secretary of State shall establish policies and programs to ensure that unaccompanied alien children in the United States are protected from traffickers and other persons seeking to victimize or otherwise engage such children in criminal, harmful, or exploitative activity, including policies and programs reflecting best practices in witness security programs.

(2) SAFE AND SECURE PLACEMENTS

(A) Minors in department of health and human services custody

Subject to section 279(b)(2) of title 6, an unaccompanied alien child in the custody of the Secretary of Health and Human Services shall be promptly placed in the least restrictive setting that is in the best interest of the child. In making such placements, the Secretary may consider danger to self, danger to the community, and risk of flight. Placement of child trafficking victims may include placement in an Unaccompanied Refugee Minor program, pursuant to section 412(d) of the Immigration and Nationality Act (8 U.S.C. 1522(d)), if a suitable family member is not available to provide care. A child shall not be placed in a secure facility absent a determination that the child poses a danger to self or others or has been charged with having committed a criminal offense. The placement of a child in a secure facility shall be reviewed, at a minimum, on a monthly basis, in accordance with procedures prescribed by the Secretary, to determine if such placement remains warranted.

(B) Aliens transferred from Department of Health and Human Services to Department of Homeland Security custody

If a minor described in subparagraph (A) reaches 18 years of age and is transferred to the custody of the Secretary of Homeland Security, the Secretary shall consider placement in the least restrictive setting available after taking into account the alien's danger to self, danger to the community, and risk of flight. Such aliens shall

be eligible to participate in alternative to detention programs, utilizing a continuum of alternatives based on the alien's need for supervision, which may include placement of the alien with an individual or an organizational sponsor, or in a supervised group home.

(3) SAFETY AND SUITABILITY ASSESSMENTS

(A) In general

Subject to the requirements of subparagraph (B), an unaccompanied alien child may not be placed with a person or entity unless the Secretary of Health and Human Services makes a determination that the proposed custodian is capable of providing for the child's physical and mental well-being. Such determination shall, at a minimum, include verification of the custodian's identity and relationship to the child, if any, as well as an independent finding that the individual has not engaged in any activity that would indicate a potential risk to the child.

(B) Home studies

Before placing the child with an individual, the Secretary of Health and Human Services shall determine whether a home study is first necessary. A home study shall be conducted for a child who is a victim of a severe form of trafficking in persons, a special needs child with a disability (as defined in section 12102 of title 42), a child who has been a victim of physical or sexual abuse under circumstances that indicate that the child's health or welfare has been significantly harmed or threatened, or a child whose proposed sponsor clearly presents a risk of abuse, maltreatment, exploitation, or trafficking to the child based on all available objective evidence. The Secretary of Health and Human Services shall conduct follow-up services, during the pendency of removal proceedings, on children for whom a home study was conducted and is authorized to conduct follow-up services in cases involving children with mental health or other needs who could benefit from ongoing assistance from a social welfare agency.

(4) LEGAL ORIENTATION PRESENTATIONS

The Secretary of Health and Human Services shall cooperate with the Executive Office for Immigration Review to ensure that custodians receive legal orientation presentations provided through the Legal Orientation Program administered by the Executive Office for Immigration Review. At a minimum, such presentations shall address the custodian's responsibility to attempt to ensure the child's appearance at all immigration proceedings and to protect the child from mistreatment, exploitation, and trafficking.

(5) ACCESS TO COUNSEL

The Secretary of Health and Human Services shall ensure, to the greatest extent practicable and consistent with section 292 of the Immigration and Nationality Act (8 U.S.C. 1362), that all unaccompanied alien children who are or have been in the custody of the Secretary or the Secretary of Homeland Security, and who are not described in subsection (a)(2)(A), have counsel to represent them in legal proceedings or matters and protect them from mistreatment, exploitation, and trafficking. To the greatest extent practicable, the Secretary of Health and Human Services shall make every effort to utilize the services of pro bono counsel who agree to provide representation to such children without charge.

(6) CHILD ADVOCATES

The Secretary of Health and Human Services is authorized to appoint independent child advocates for child trafficking victims and other vulnerable unaccompanied alien children. A child advocate shall be provided access to materials necessary to effectively advocate for the best interest of the child. (iii) Contribution of funds

A child advocate program selected under this section shall contribute non-Federal funds, either directly or through in-kind contributions, to the costs of the child advocate program in an amount that is not less than 25 percent of the total amount of Federal funds received by the child advocate program under this section. In-kind contributions may not exceed 40 percent of the matching requirement under this clause.

(D) Annual report to Congress

Not later than 1 year after March 7, 2013, and annually thereafter, the Secretary of Health and Human Services shall submit a report describing the activities undertaken by the Secretary to authorize the appointment of independent Child Advocates for trafficking victims and vulnerable unaccompanied alien children to the Committee on the Judiciary of the Senate and the Committee on the Judiciary of the House of Representatives.
